

THE WONETASTERS

A Journey Through Piedmont 1 December 2023

Please join us for a journey through Italy's greatest wine region, Piemonte. We will taste nine wines featuring the region's main grape varieties such as Barbera, Dolcetto and Nebbiolo, and also some lesser known local varieties such as Freisa and Pelaverga. The wine makers will range from the more traditional Elio Sandri to the more modern Mauro Marengo, and we'll finish with a pair of wines from the two star communes of the region, Barolo and Barbaresco. Forza Piemonte!
